Subject: Air Quality Control Significant Permit Revisions No. 41191 and No. 41493
Electricity Generating Plant - Place ID: 9955

Dear Mr. Brooks:

The Arizona Department of Environmental Quality, Air Quality Division, has completed its review of the referenced permit revision applications.

I am prepared to recommend that the significant permit revisions be issued with conditions necessary to meet all rules and regulations applicable to this source related to air pollution control. Copies of the draft permit revisions are enclosed for your review.

In accordance with Arizona Revised Statute §49-426.D, a Public Notice will be issued in the **The Sun and the Baja El Sol** on **April 13, 2007, and April 20, 2007**. A copy of the Public Notice is enclosed. Please note that a public hearing will be conducted on May 15, 2007, at 6:00 pm at the Yuma Civic Center, 1440 W. Desert Hills Drive, Yuma, AZ 85364.

You will need to post a copy of this Public Notice adjacent to the nearest public roadway on the property where your facility is or will be located. This notice posting should conform to the attached Public Notice posting requirements. The notice should be posted from the date of first publication to May 15, 2007.

If you have any questions, please contact me at (602) 771-2321.

Sincerely,

Trevor Baggione, Manager

PUBLIC NOTICE
YOU HAVE A VOICE IN AIR POLLUTION CONTROL IN ARIZONA

The Arizona Department of Environmental Quality (ADEQ) proposes to issue Air Quality Control Significant Permit Revision Nos. 41191 and 41493 to Arizona Public Service Company (APS) for their electricity generating plant located at 7522 South Somerton Avenue, Yuma, Yuma County, Arizona with mailing address of Mail Station 4852, PO. Box 53999, Phoenix, Arizona 85072-3999. The Yuma facility currently operates five simple-cycle combustion turbines and one steam generating unit. Permit No. 41191 will authorize APS to add two new simple-cycle combustion turbines and one new mechanical draft cooling tower and Permit No. 41493 will authorize APS to equip three of the five existing turbines with an inlet fogging with overspray system. The proposed permits are subject to the requirements of the Federal Clean Air Act, Arizona Revised Statute 49-426, and the Arizona Administrative Code, Title 18, Chapter 2, Articles 3, 7 and 9. Emissions of the following types of air contaminants will be limited under the proposed permits: particulate matter, nitrogen oxides, carbon monoxide, and sulfur dioxide.

This Public Notice provides information to help you participate in the decision-making process. You have an opportunity to submit written comments on these Permits and make oral comments at the public hearing. A public hearing will be held on May 15, 2007, at 6:00 pm at Yuma Civic Center, 1440 W. Desert Hills Drive, Yuma, AZ 85364. The written comment shall state the name and mailing address of this person, shall be signed by the person, their agent or attorney and shall clearly set forth reasons why the permit should or should not be issued. Grounds for comment are limited to whether the Permits meets the criteria for issuance spelled out in the State Air Pollution Control laws or rules.

Materials related to the Permits, including the application, ADEQ's analysis and the draft permits are available for your review at ADEQ's office at 1110 West Washington Street, Phoenix, Arizona and at the City Clerk of Yuma at One City Plaza Yuma, Arizona 85364.

Persons wishing to submit written comments can do so at the public hearing. If mailed, comments must be received by May 15, 2007. Comments should be directed to: Director, Air Quality Division, ADEQ, 1110 West Washington Street, 3415A-1, Phoenix, AZ 85007.

ADEQ will consider all comments received in making a final decision on the proposed Permits. Everyone commenting will receive notification of the final decision. People who file comments on the Permits will have the right to appeal the final decision as an appealable agency action to the Office of Administrative Hearing (OAH) pursuant to §41.1092.03, and the appeal must be filed within thirty (30) days after the issuance of the final decision. The OAH may sustain, modify, or reverse the final decision.

Persons with a disability may request a reasonable accommodation such as a sign language interpreter, by contacting Linda Morrison (602) 771-4793 TDD phone 771-4829. Requests should be made as early as possible to allow time to arrange the accommodation.

If you would like to receive copies of future Public Notices of Air Pollution Control Permits, please provide a typewritten or a clearly printed copy of your name, address, and ZIP code, to the Director of Air Quality Division at ADEQ's address shown above. Your request should also state that you wish your name to be placed on the Air Quality Permit mailing list.

If you have any questions or would like to find out more information about these Permits, please contact Trevor Baggione at (602) 771-2321, when in Arizona (800) 234-5677 (Ext. 2321), or at ADEQ's address shown above.
